While you are enjoying all that Shelter Island has to offer, please stop by the library and pick up a book for the beach, a movie for a rainy day, or check out our bocce ball set for a family tournament! We also have programs, crafts, and events for all ages. We want to help you enjoy every minute of this summer month.

*The Guys* is a play by Anne Nelson about the after-effects of the collapse of the World Trade Center. ### TURKEY: A PARTNER IN CRISIS

Thursday, August 16th at 5:30 pm [SL 301]

Of all the NATO allies, Turkey represents the most daunting challenge for the Trump administration. In the wake of a failed military coup in July 2016, the autocratic trend in Ankara took a turn for the worse. In this age of a "clash of civilizations" between Islam and the West, even more important than its place on the map, is what Turkey symbolically represents as the most institutionally Westernized Muslim country in the world.
